Nutrien Announces Release Dates for Third Quarter 2021 Results and Conference Call

SASKATOON, Saskatchewan – Nutrien Ltd (TSX and NYSE: NTR) announced today plans to release third quarter earnings results on Monday, November 1, 2021, after market close. Nutrien will host a conference call the following day, Tuesday, November 2, 2021 at 10:00 a.m. EDT to discuss and answer investor questions on third quarter results and the outlook.

To avoid delays in accessing our Q3 Earnings conference call, **Nutrien has implemented Direct Event which will require participants to pre-register for the call** online through the following link; <http://www.directeventreg.com/registration/event/7287304>. Alternatively, callers can pre-register by phone at 1-888-869-1189 and providing Conference ID 7287304. Once the registration is complete, a confirmation will be emailed providing the dial in number and both the Direct Event Passcode and your unique Registrant ID to join this call. For security reasons, please do NOT share this information with anyone else. A webcast of the conference call and the presentation slides can be accessed by visiting Nutrien's website, www.nutrien.com/investors/events.

A recording of the conference call will also be available after the completion of the call by dialing 1-800-585-8367 and inputting the conference identification number 7287304. A replay of the webcast and recording will be available through January 31, 2022.

About Nutrien

Nutrien is the world's largest provider of crop inputs and services, playing a critical role in helping growers increase food production in a sustainable manner. We produce and distribute approximately 27 million tonnes of potash, nitrogen and phosphate products world-wide. With this capability and our leading agriculture retail network, we are well positioned to supply the needs of our customers. We operate with a long-term view and are committed to working with our stakeholders as we address our economic, environmental and social priorities. The scale and diversity of our integrated portfolio provides a stable earnings base, multiple avenues for growth and the opportunity to return capital to shareholders.
